History of Conroe Symphony League

The Conroe Symphony League was organized in April, of 2001 to serve as the fundraising and volunteer arm of the Conroe Symphony Orchestra. The League has grown to a hundred plus members consisting of both men and women who are interested in the success of the Conroe Symphony. A number of fundraisers have been implemented to raise funding for the orchestra. The first fundraiser was the Celebrity Conductor Contest for which the League was awarded best fundraiser in 2004 by the Texas Association for Symphony Orchestras. Organized in 2006, Derby Day in Conroe has become the League's major annual fundraiser. Through fundraising efforts, the League has raised \$80,000 for the Conroe Symphony and has provided many volunteer hours. The money raised by the League provides needed instruments, music, child care for the player's children during rehearsals and performances, shirts for the players, office equipment, refreshments for dress rehearsal and other financial and volunteer support.
